WELCOME

THANK YOU so much for participating in our Walk for the Animals event. With your support, we will be able to continue our efforts in developing and facilitating the much needed live-saving programs that will continue to help our community and improve the lives of companion animals.

As the largest and oldest animal welfare organization in Anne Arundel County, the SPCA of Anne Arundel County has been providing shelter and humane care for homeless animals in need for over 100 years. We are not affiliated with, or supported by any other SPCA or humane organization so, we heavily rely on the generous contributions from individuals and businesses to ensure the homeless animals receive the best possible care.

By supporting the SPCA of Anne Arundel County, you are making a commitment to helping the 2,500 homeless animals that enter our shelter each year. Thank you for your support and enjoy the event!

Sincerely,

Lynnette Gill

BIGGER. BETTER. FASTER. STRONGER.

For some time the SPCA of Anne Arundel County has been working to find a way to expand, update and grow so that we can meet the ever-growing numbers of lives to be saved as well as meet the community's expanding needs.

Our 100-year-old shelter makes it difficult to support the lifesaving programs that make such a difference in the lives of those that need us the most. The insurmountable damage we suffered from that horrific storm has left us with no choice but to expedite this project and hope we can continue to fund each stage as it progresses.

You may have noticed, when passing by our shelter, we have broken ground on a new shelter building and cannot wait to be able to get back up to normal operating capacity as well as the expansion opportunities this new building will allow.

This building will be on the same grounds as the current shelter, but will be bigger, better, and can do more for every animal, and every member of the community, and reach so many more special cases that need us.

We are confident that this new facility will enable us to do so much more, but we still need your help! The new shelter will make a huge difference, but it is because of your support that we can continue to build.

Please consider supporting this incredible and ambitious venture today and stay tuned for more announcements, updates, and fundraisers to come.

If you would like to donate to this expansion now, please visit us online.

WHY GIVE YOUR SUPPORT

THIS YEAR MARKS THE SPCA OF ANNE ARUNDEL COUNTY'S 103RD YEAR of serving homeless animals in our community, an achievement we could not attain without you.

- » We embrace animals in need - regardless of age, breed, or physical condition - and provide them with the care they deserve for as long as it takes to find them a loving home while maintaining a life-saving rate of 98% EVERY YEAR since 2014, **one of the highest in the country.**
- » The money generated by our minimal adoption fees **does not begin to cover our shelter expenses**, much less the many services we offer throughout the year.
- » **We receive no state or local government funds** as a private, non-profit 501(c)3 organization. We must rely on the community's generosity to ensure that the animals receive the best care possible.
- » **We have the highest possible rating given by Charity Navigator**, four out of four stars each year for the past seven years, a 100% score for adhering to good governance and other best practices that minimize the chance of unethical activities, and consistently execute our mission in a fiscally responsible way.

BECAUSE WE CAN'T DO IT WITHOUT YOU!

PETS FOR PATRIOTS

Did you know? We are part of Pets for Patriots – a program that helps veterans adopt a new pet friend while giving the most overlooked shelter animals hope and a home.

The Pets for Patriots offers a number of benefits beyond the “adoption special” which, for our shelter, is the waived fee for eligible pets. This includes that after adoption, the veterinary partners offer a minimum ongoing 10% fee discount for pets adopted through the program. There is also a one-time \$150 contribution via e-gift card to a major pet retailer upon eligible pet adoption, to be used for food, medications, supplies, and other essentials.

SPCA'S EDUCATION & OUTREACH PROGRAMS

We believe that education via outreach is one of the many ways to help improve animal welfare while educating the public on the SPCA of Anne Arundel County and all of the services that it provides.

SHELTER TOURS FOR GROUPS

School groups, Girl Scouts, Boy Scouts, and all sorts of other groups take tours of the shelter, read to the animals, and learn how to properly greet a dog. For older kids and adults, we offer educational presentations on shelter issues including spay and neutering. We teach people of all ages how they can help homeless animals.

GROUP PRESENTATIONS

We visit schools, community groups, and other organizations to offer presentations regarding animal welfare, animal quizzes, fun & games, and more. Sometimes we will bring a shelter animal to meet your group

Visit aacspca.org to learn more or contact outreacheaacspca.org to inquire about group activities.

A Fun-Filled Time – The SPCA of Anne Arundel County is starting a new program for school-age pet lovers. PAWSITIVE Pet Care Class covers pet care and needs, understanding animals' body language, pet safety, and more! An activity and munchies will also be provided.
